

How to Search for Customs Rulings, Regulations, and Laws

1. In the bottom frame,

Click on the binoculars.

2. Type in your search term here:

Search For:

Options:

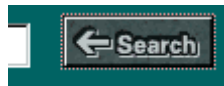

- ☒ Show only records with hits
- ☒ Show only headings with hits
- Words around hits to display:

3. Put check marks in these two boxes and experiment with various numbers for "Words around hits":

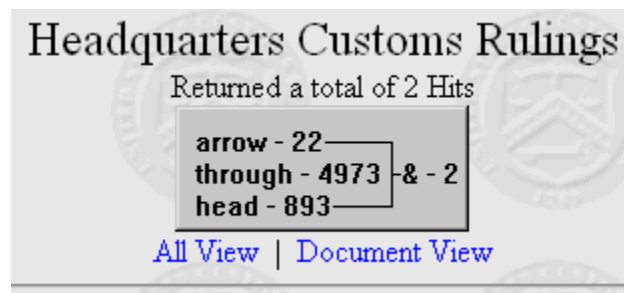

Options:

- ☒ Show only records with hits
- ☒ Show only headings with hits
- Words around hits to display:

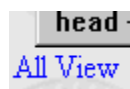

4. Click Search:

5. At the Results page,

Click All View:

6. At the next screen, the left frame contains the list of rulings with your search term. The right frame contains the text of only those rulings.
7. For more detailed instruction on how to use the search engine, go to <http://www.customs.gov/impexpo/folio.pdf>.
